A MESSAGE FROM MINIS CHAIR CHARLIE

Welcome back to all our Minis players, and an especially warm welcome to the new players and families joining our Under 6s this season.

I hope everyone is looking forward to another fantastic year of rugby. We have our usual mix of away fixtures and festivals planned, and I'm delighted to confirm that we have once again secured the Middlesex Under 10 Festival for next spring. Planning is already underway for our 2027 Minis Tour, with the intention of returning to Burnham-on-Sea, which is always one of the highlights of the rugby calendar.

One of my key priorities this season is to help our Minis become more engaged with the wider club and local community. By strengthening these connections, we can continue building a positive club culture and help our young players feel an even stronger sense of belonging. Please keep an eye out for opportunities to get involved throughout the season.

The first of these is the Big Fat Pub Quiz, organised by our Under 12s, on Friday 16th October.

I look forward to seeing everyone down at the club on Sundays.

Charlie

A MESSAGE FROM YOUTH CHAIR SEAN

We are looking forward to another exciting season at Ruislip Rugby Club at youth level, with consistent high-level performances across all our age groups and fantastic support from our members, families, and volunteers. The players and coaches have always shown real determination and commitment in training and on match days, representing our club with pride, teamwork, and respect. We really are looking forward to this season.

A special thank-you goes to the Ruislip family who continues to help with coaching, transport, fundraising, and events – their contribution keeps the club moving forward. We look forward to all the upcoming fixtures and hope to see plenty of supporters cheering from the sidelines!

COMMITTEE UPDATE

As we prepare for the new season, the Committee has been working on a number of initiatives designed to strengthen both our rugby offering and the overall member experience. From clubhouse improvements and new kit to our website refresh and volunteer opportunities, we'd like to share some of the key updates from around the Club.

INVESTING IN OUR CLUB

The Committee has agreed an ambitious vision for the Club. Our aim is to continue improving the playing experience for members while creating a clubhouse environment that everyone can enjoy and be proud of.

To support this ambition, we are exploring investment in both rugby activities and clubhouse improvements. Any investment will be carefully balanced against the need to remain financially sustainable and avoid operating at a loss. Key areas of focus include membership growth, sponsorship opportunities, fundraising initiatives, and increasing use of our clubhouse facilities.

CLUBHOUSE IMPROVEMENTS

A huge thank you to our Senior Men's team and Lisa, who generously gave up their time to help prepare the clubhouse for the season ahead.

Their efforts included deep cleaning the toilets, bar area, carpets, changing rooms, tables and chairs, as well as cutting back and tidying the hedges at the front of the clubhouse. They also filled several potholes along the side of the site and tackled countless other jobs that help keep our club looking its best.

MEMBERSHIP FEES

You should have received an email regarding this season's membership fees.

If you have any questions, please contact:
Secretary@ruisliprfc.co.uk

HERE'S TO ANOTHER GREAT SEASON!

Ruislip RFC continues to thrive because of its members, volunteers and supporters. Thank you for being part of our club, and here's to another fantastic season both on and off the pitch.

GETTING INVOLVED

As always, the Club's success depends on the continued support of our members, volunteers, sponsors and supporters. Whether it's attending events, volunteering your time, supporting fundraising initiatives, or introducing potential sponsors, every contribution helps us move the Club forward.

Website Volunteers Needed

We are specifically looking for someone with web design or WordPress experience to help support the website refresh project.

If you can help, please email: vice-chair@ruisliprfc.co.uk or speak to a member of the Committee.

No matter how much or how little time you can offer, we'd love to hear from you.

WEBSITE REFRESH

As communicated last month, we are refreshing the Club website. We are grateful to Paul Stephens (www.photodaygroup.com) for volunteering his time and expertise to support this project.

Paul will be at the clubhouse on Sunday 20th September to take individual headshots of all Mini and Youth players. These images will then be combined to create team photographs for the new website.

If you would like your child to be included, please ensure they visit Paul's mobile studio. If you do not wish your child to appear on the website, simply do not participate.

Should you wish to purchase photographs, please speak directly with Paul. A proportion of any profits will be donated back to the Club.

The remaining photography sessions are scheduled as follows:

- Women's and Rubies: Wednesday 23rd September
- Colts: Thursday 24th September

There will be plenty of opportunities for players to be included in their team photographs.

NEW KIT

We have invested in new branded club kit ahead of the season.

Please help us look after it by carrying kit bags rather than dragging them across the ground. This small step will significantly extend the life of the bags and ensure they remain in good condition for future use.

If you would like anything featured in our next newsletter, please email vice-chair@ruisliprfc.co.uk or pop by and see Avi on a Sunday morning with the under 8's.
